

Let Metro perfect your hanging & drying process.

Shelving specifically designed to optimize your process and maintain the highest quality.

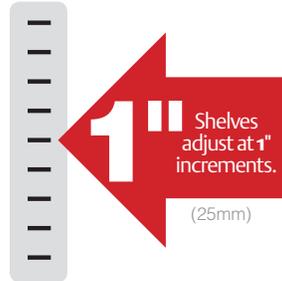

Let Metro provide solutions tailored to meet stringent cannabis procedures. Metro premium shelving solutions like Super Erecta Cannabis Drying Racks are designed to satisfy cannabis processing. From hanging...to drying...to storing...we've got it covered.

- Open wire design allows for maximum airflow
- Shelves slide out for easy access
- Available in stainless steel for maximum rust resistance and easy cleaning
- Quickly converts from hanging to tray drying rack

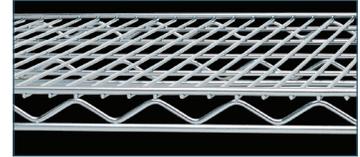

Metro Super Erecta Drying Rack
(Available in Stainless Steel or Chrome
with adjustable removable tray levels)

Proven Metro® Innovation.

Accommodates most standard perforated drying trays and racks.

Type 304 Polished Stainless Steel

Addresses the most aggressive applications and environments. Helps reduce product contamination and complies with stringent regulations.

Also available in chrome plated for dry, low humidity environments.

Super Clean. Super Versatile.
